Subject: Authorization for Purchase of Equipment Utilizing EPA Funds (>\$1000.00)

Dear Jim,

In accordance with the Interagency Agreement (IAG) between the EPA and the Volpe Center, the purpose of this correspondence is to request authorization for the purchase of the following:

Microsoft Windows 2000 Server with 25 Client Access Licenses
Estimated Price: \$1525.00

The Libby Database Server (R8Libby) is running the Microsoft NT version 4.0 Operating System, licensed for 25 users. This software will be under a reduced level of support by Microsoft starting with the New Year. Region 8 Computer Center strongly recommends that this software be upgraded. The upgrade path is to Windows 2000 Server.
